

Soundzgood

Innovative way of Caller Tune Customization

What is Soundzgoodapp.com?

Soundzgoodapp.com is your innovative solution to customize your Caller Tunes for Personal/Business Branding, make Event Reminders, spread Social Messages, and more.

Caller Tunes in Convention

Caller Tune is the tone heard by the Caller while calling another person on his mobile number.

The common types of caller tunes are:

- ★ Regular ringing tones
- ★ Movie songs or dialogues
- ★ Telecom jingles
- ★ Personal/business branding messages

Caller Tunes on Soundzgood

Soundzgood thinks out-of-the-box to make optimum utility of your Caller Tunes.

We help you customize your Caller Tunes to make

- Personal Branding
- Business Branding
- Spread social messages, alerts, awareness, etc.
- Remind important events

Caller Tune customization for Personal Branding

Customize your Caller Tunes to make effective, memorable personal branding of your business/service/product

This is beneficial for

1. Self-employed professionals
2. Freelancers
3. Home-based business owners
4. Localized businesses

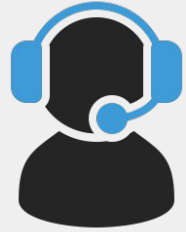

Assume you bake fresh cakes and pastries, and wish to promote your business.

Caller

The Caller Tune says “*Thanks for Calling John. John makes fresh, aromatic Cakes and Pastries. Taste his bakes at **Cake Junction**, Town Hall.*”

John
Cake Junction

Caller Tune customization for Business Branding

Customize caller tunes of your entire business organization. Let all your employees have the 'same' caller tune ringing on their mobile number

This is beneficial for

1. Business owners
2. Organizations
3. NGOs
4. Communities, etc.

Assume you run an App development Company called Innovative Creatorz with 20+ employees.

Callers

The Caller Tune says **“Thanks for Calling ‘Innovative Creatorz, your one-stop destination to Android App Development’. Your call will be answered Shortly”**.

Caller Tune customization to Remind Events

Customize caller tunes to remind an upcoming event to your friends, family, neighbors, colleagues and peers.

This is beneficial for reminding

1. Family celebrations like wedding, betrothal, birthday parties, etc.
2. Meetings & conferences in business organizations
3. Health camps and checkups conducted in a locale

Assume your baby's first birthday party falls on next Tuesday:

Caller
(Aunt Kavya)

Nithya
(Mother of
birthday baby)

The Caller Tune says “***Thanks for Calling Nithya. Remember to join us on 9th of July, Tuesday at Vijaya Park to celebrate our darling daughter’s first birthday.***”

Caller Tune customization for Social Messages

Customize caller tunes to spread social messages or create awareness

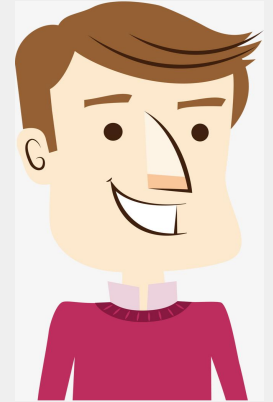

This is beneficial for

1. Spread alarming messages during calamities
2. Donate/share things during crisis situations
3. Remind important dates like vaccination dates,
4. Spread awareness about government measures & schemes

Assume your state is flooded by the annual monsoon shower, and you are ready to spare a free room for the flood victims

Flood Victim

Kavin
(ready to help)

The Caller Tune says “***Thanks for calling Kavin. There is one spare room to accommodate up to 4 headcounts. It is located in Town City, Chennai. Flood victims can contact me for details.***”

Earn with your Caller Tune
